

\$JALURA — The Aura-Fueled Race to the Moon

A Meme Coin Inspired by Culture, Community, and Viral Energy

\$JALURA is the world's first meme coin born from the **ancient Pacu Jalur river races** and the modern chaos of **Aura Farming** — built on Solana, powered by culture, and driven by the community.

Here, you don't just farm gains —
you farm memes, auras, and legendary vibes.

Co-created with the help of ChatGPT, this whitepaper is a fusion of humor, strategy, and cultural pride.

1. Introduction

Centuries ago in Sumatra, long wooden boats raced through muddy rivers with **raw muscle and unity**.

Today, we race again — but the boats are digital, the oars are memes, and the river is Solana.

- \$JALURA celebrates:
- **Pacu Jalur** – the ancient speed of culture
 - **Aura Farming** – a viral metaphor for spiritual clout
 - **Crypto Degeneracy** – our native meme language

Together, they form the basis of a **meme coin movement** born from tradition and launched toward the moon.

2. Vision & Mission

Vision

To become the most culturally viral meme token on the Solana blockchain — a symbol of joy, energy, and community.

Mission

To harness internet culture, memes, and real-world traditions to unite people under a shared digital identity:

The Jalur Gang.

3. Tokenomics

Detail	Value
Name	JALURA
Ticker	\$JALURA
Blockchain	Solana
Total Supply	1,000,000,000
Decimals	9 (Solana standard)

Distribution:

Allocation	%	Tokens	Purpose
Bonding Curve	65%	650,000,000	Fair launch for early paddlers
Pool Migration	20%	200,000,000	Migrate auras into liquidity pools
Team Vesting	15%	150,000,000	For shamans, builders & community guides

4. Raise Plan

We aim to raise **200 SOL** via the Raydium Launchpad to ignite our meme-powered ecosystem.

Allocation of Raised SOL:

- Liquidity Seeding: **40%**
- Marketing & PR: **40%**
- Dev & Operations: **15%**
- Community Incentives: **5%**

This ensures visibility, vibe, and velocity.

5. Team Vesting Plan

To protect the Jalur spirit, the team's tokens will be locked and released gradually:

- **Cliff:** 3 months
- **Vesting:** 12 months
- **Unlock Rate:** 8.33% monthly post-cliff

No rugboats. Only riverboats.

6. Roadmap

aka: The Racecourse

Phase 1: Awakening the Aura

- Token creation via Raydium
- Meme-paper release
- Twitter + Telegram launch
- “Farm That Aura” meme contest

Phase 2: The Great Paddle

- Launch of Aura Arena (meme battles & community challenges)
- NFT Drop: Rowers, Shamans & Aura Boosters
- Listings on Solscan, Gecko, & Raydium charts

Phase 3: Spiritual Domination

- Viral content with SEA creators
- “Race to the Moon” leaderboard

- Aura Farming Simulator game
 - DAO activation: the river chooses
-

7. Utility & Use Cases

What can you do with \$JALURA?

- **Aura Farming:** Earn more by spreading memes & good vibes
 - **NFT Upgrades:** Boost your paddler's spirit
 - **Race to Riches:** On-chain weekly meme battles
 - **Governance:** Vote on rituals, boats, and community flows
-

8. Security & Transparency

- Liquidity locked
- Dev wallets tracked & visible
- Smart contract verified on Solana
- Open-source everything

This isn't a pump & dump — it's a **paddle & pump**.

9. Legal Disclaimer

This whitepaper is a creative, informational document. It is not financial advice, nor a solicitation to invest. \$JALURA is a meme coin designed for fun and cultural celebration.

Always DYOR. No expectation of profit.
Powered by community — not corporations.

10. Credits & Acknowledgements

- Inspired by **Pacu Jalur** and **Aura Farming**
- Engineered by meme lovers & community builders
